Dear Mr. Kraft: ^{Bob}

Congratulations on the establishment of the FirstPathway Partners, LLC Company to oversee the FirstPathway Citizenship Investment Fund.

Having worked with you over the years, as you have created hundreds of jobs and as a result of your entrepreneurship in the region, I am extremely excited for the County of Milwaukee to have you take on this important endeavor.

Good luck with the effort and if I can personally be of any assistance, don't hesitate to contact my office or me.

Best personal regards,

Scott Walker
